Burned

Attack Strength of this Pokémon's moves is reduced by 1 (minimum 0).

At the end of a battle round involving this Pokémon, add a counter to this status. When this status has 4 counters, this Pokémon faints. Discard this status upon fainting.

Confused

If this Pokémon rolls an odd number on its Attack Roll, add their chosen move's Attack Strength to the opponents final attack total.

Discard this status if this Pokémon exits battle or upon fainting.

Cursed

At the end of the round, add a counter to this status. When this status has 2 counters, this Pokémon faints. Discard this status if this Pokémon exits battle or upon fainting. Only 1 Pokémon per team may gain the Cursed status in a battle.

Frozen

This Pokémon cannot select a move. They attack with a type-less move with an Attack Strength of 0.

Before selecting a move, roll a △. On a 4 or upon fainting, discard this status.

Paralyzed

2

This Pokémon cannot select a move. They attack with a type-less move with an Attack Strength of 0.

At the end of the battle round, flip this status over.

Poisoned

At the end of a battle round involving this Pokémon, or after every 3 spaces moved on your turn, add a counter to this status. When this status has 4 counters, this Pokémon faints. Poisoned Pokémon always lose ties, regardless of the kind of battle. If two Poisoned Pokémon tie, they both faint. Discard this status upon fainting.

Sleep

2

This Pokémon cannot select a move. They attack with a type-less move with an Attack Strength of 0.

Before moves are selected, remove 1 counter from this status. If there are no counters left or upon fainting, discard this status.
